Lynn, Mass. Aug. 31.—Mrs. Elizabeth Lodge, daughter-in-law of Senator Henry Cabot Lodge, and her three children arrived at Nahant to-day after trying experiences in Paris and London before boarding ship for New York.

Mrs. Lodge declared that the Senator has not been critically ill since he had been abroad, but that since the war broke out he has worked extremely hard aiding stranded Americans. Mrs. Lodge and the three children, together with the Senator and Congressman and Mrs. Augustus P. Gardner, were forced to flee from their villa at Dippe, and the family came away with two trunks, both packed only with sheets by servants, who became panic stricken when they heard crowds in the streets shouting that war had been declared.

"Senator Lodge is much better than he was some time ago," said Henry Cabot Lodge 3d. "I do not know when he will come home, but it will probably be about the middle of September."
